Core Competencies

What sets Victory apart

01

Product Variety

Broad LED catalog covering DIP, SMD, High-Power, IR, Display and Opto Sensors.

02

Service

Responsive engineering support and traceable quality from sample to mass production.

03

Flexibility

Small-lot friendly. Customized modules and packaging to match each customer's spec.

Product Variety

- 1 DIP LED
- 2 SMD LED
- 3 High Power LED
- 4 7-Segment Display
- 5 LED Module
- 6 Infrared LED
- 7 Opto Sensor

Application-ready LED components

From displays to sensors — one supplier across the LED stack.
